GLOBAL IMPACT

IN 1985, A few of us new converts—James Rafferty, Sue Gibson, and myself—received what we knew to be specific direction from the God of the universe. We were young and on fire for the Lord (now we're older but still on fire for the Lord). James and I were conducting small group Bible studies in homes and traveling to preach in local venues. We were driven by these astounding prophetic words:

“I saw another angel coming down from heaven, having great authority, and the earth was illuminated with his glory” (Revelation 18:1).

Here John foretells a time when the message of the gospel will go global. People all over the world will have their hearts and minds “illuminated” with the glorious truth of God’s love embodied in Christ. We realized that something massive and dramatic would have to happen in order for the message

to be placed within the reach of everybody on the planet. And then, somewhere along the line as we were preaching and teaching, we read these practical marching orders:

“And in a large degree through our publishing houses is to be accomplished the work of that other angel who comes down from heaven with great power and who lightens the earth with his glory” (Ellen White, *Testimonies for the Church*, vol. 7, p. 140).

That’s it!

Immediately we were certain that God wanted us to publish truth-filled literature that would go out to the world by the millions, and the publishing ministry of Light Bearers was born. In just a matter of months, God provided our first building and publishing equipment. The vision was clear: print and distribute as much literature as possible, as fast as possible, giving

people around the world free access in their own languages to the saving knowledge of the gospel in the context of the three angels’ messages of Revelation 14.

**WELL OVER A HALF BILLION PUBLICATIONS
IN MORE THAN 40 LANGUAGES HAVE BEEN
DISTRIBUTED AROUND THE WORLD . . .**

Since then, well over a half billion publications in more than 40 languages have been distributed around the world free of charge. And this is no time to slow down our efforts. We are more on fire than ever to scatter truth-filled literature like the leaves of autumn all over the earth. Thank you for sharing this vision with us and empowering us by your prayers and support to keep it happening.

A POWER TO WITHSTAND

DID YOU KNOW that Jesus speaks the truth (John 8:40), and the devil speaks the lie (8:44)? That difference may seem elementary to anyone who knows something of what we call “the great controversy.” But the lie must be very subtle at times, as it appeals to our self-interest and focus. The devil is a master at this deception (Revelation 12:9; 20:3, 8, 10). Remember Jesus pointedly warned against this very danger, especially during the time just prior

to His second coming (Matthew 24:3-5, 11, 24).

We are now at that time, and have been, according to the prophecies, since the beginning of the Advent movement. Within our own history there is abundant evidence of the many attempts Satan has made to deceive. After all, if he can confuse God’s workers, his bigger schemes are more successful.

Consider this wise counsel from 110 years ago:

“I have had presentations regarding the deceptions that Satan

is bringing in at this time. I have been instructed that we should make prominent the testimony of some of the old workers who are now dead. Let them continue to speak through their articles as found in the early numbers of our papers. These articles should now be reprinted, that there may be a living voice from the Lord’s witnesses. The history of the early experiences in the message

FUNDAMENTAL PRINCIPLES

“The waymarks which have made us what we are, are to be preserved, and they will be preserved, as God has signified through His word and the testimony of His Spirit. He calls upon us to hold firmly, with the grip of faith, to the fundamental principles that are based upon unquestionable authority.”

Ellen White
*Counsels to Writers and
Editors*, p. 52

OUR PAST EXPERIENCES

“Our people need to understand the reasons of our faith and our past experiences. How sad it is that so many of them apparently place unlimited confidence in men who present theories tending to uproot our past experiences and to remove the old landmarks!”

Ellen White
Selected Messages, vol. 2, p. 25

A RIGHT APPLICATION

“The burden of the warning now to come to the people of God, nigh and afar off, is the third angel’s message. And those who are seeking to understand this message will not be led by the Lord to make an application of the Word that will undermine the foundation and remove the pillars of the faith that has made Seventh-day Adventists what they are today.”

Ellen White
Selected Messages, vol. 2,
p. 103

will be a power to withstand the masterly ingenuity of Satan's deceptions. . . ." (*Counsels to Writers and Editors*, p. 26).

We are pleased to share with you the latest in our efforts to reprint the writings of these witnesses and make "the history of the early experiences" available. Because you and I need that "power to withstand"!
